All plastics must include one of these recycling symbols

PET

HDPE

PVC

LDPE

PP

PS

OTHER

Contaminated materials, broken glass, glasses, cutlery, packets, pots, film, bags, wrappers.

➤ Reclaim diverts recyclable products at source to ensure waste is recycled responsibly. Using correct sorting procedures, we assure businesses that their recyclable waste is converted into new end-products. Reclaim sorts clean recyclable containers into similar product types, then supplies them to relevant factories to be made into similar new containers and other new consumer products.
