GLASS

Clean, empty, clear & coloured glass jars & bottles.

We prefer metal caps and lids be removed, but this is not essential.

Rubbish, window glass, drinking glasses, cups & plates, broken glass, oven proof glass.

➤ Reclaim diverts recyclable products at source to ensure waste is recycled responsibly. Using correct sorting procedures, we assure businesses that their recyclable waste is converted into new end-products. Reclaim sorts clean glass bottles and jars into similar colour types and supplies them to glass factories to be made into new glass bottles and jars.
